The Project Implementation Unit of the Caribbean Digital Transformation Project (CARDTP)-Dominica issues Clarification No. 2 dated August 08, 2025.

S.No.	Section/Clause/Page	Criteria	Clarification / Queries	Response to Clarification
1			Could you let us know what the budget is for this work?	The budget for this assignment is not disclosed in the RFB. Bidders are expected to propose competitive pricing based on the scope of work.
2	Bid Data Sheet - ITB 22.1, Page 38	Deadline for Bid Submission	Could we request an extension to the submission deadline?	Refer to Addendum No. 1 issued on August 05, 2025.
3			Do you have an incumbent and would they be participating in this RFP?	The RFB does not identify or restrict participation based on incumbency. The procurement is open to all eligible bidders of the goods and related services being acquired by the Purchaser. Refer to ITB 4 for information on Eligible Bidders.
4	Bid Data Sheet - ITB 22.1, Page 38	Bid Submission	Could we request an electronic submission in light of the lifting of all delivery guarantees from all the courier companies?	Electronic submission **is not** allowed.
5	Bid Data Sheet - ITB 19.1, Page 37	Bid Security	Could we ask that the Bid Security/Bond be removed from this procurement process as is the case with most Cities we work with for digital services of this nature?	The RFB prevails. Refer to Bid Data Sheet – ITB 19.1 and ITB 19.9.

S.No.	Section/Clause/Page	Criteria	Clarification / Queries	Response to Clarification
6			Could you let us know if you have a local preference or are you open to a Canadian agency that has done similar work with clients globally?	There is no local preference. The RFB is open to all eligible bidders. Refer to ITB 4 for information on Eligible Bidders. Refer to ITB 5 for information on Eligible Goods and Related Services.
7			Who will be responsible for managing asset inventory once the items are delivered to its final destination?	Request For Bids (RFB) prevails.
8	Section VII – Schedule of Requirements: Scope of Works, Page 94	A. Desktop for Running HMIS Application and Capable of Viewing PACS Reports – Item 10: System Compatibility Check	For the "System Compatibility Check" under the A. Desktop Computer for running HMIS Application scope of work, when would the HMIS software be specified by the client?	The details of the HMIS application required for the System Compatibility Check will be provided to the successful bidder upon award of the contract.
9	Section VII – Schedule of Requirements: Scope of Works, Page 95	A. Desktop for Running HMIS Application and Capable of Viewing PACS Reports – Item 11: Pre-Configuration & Imaging (Optional)	Could you please clarify where the cost for Pre-Configuration & Imaging (Optional) and other optional items you proposed will be quoted? Specifically, we'd like to ensure that if the decision is made not to proceed with this optional item, its cost will not have already been factored into the total contract amount. To avoid any ambiguity during evaluation or contracting, should the optional item be listed as a separate line item, clearly marked as optional?	Request For Bids (RFB) prevails.
10	Section VII – Schedule of Requirements: Scope of Works, Page 95	A. Desktop for Running HMIS Application and Capable of Viewing PACS Reports – Item 11: Pre-Configuration & Imaging (Optional)	If the client proceeds with Pre-Configuration & Imaging, where should this take place? From the manufacturer's end or during deployment?	During deployment.
